

Austere User

Username/Password authentication for persons without GEOAxis-accepted credentials who have a mission-critical need for access.

TARGET AUDIENCE

- Person with **no access** to a recognized credential, but has a **mission need**.

HOW TO ENROLL

- Mission Partners and NGA personnel may submit a request for an Austere sponsor account to the ESC.
 - Email
 - Phone call
 - Web portal
 - Remedy ticket
- Sponsors may submit an Austere User account request via the GEOAxis website.
- For more information on Austere accounts, please visit the GEOAxis website.
 - <https://geoaxis.nga.ic.gov/Information>
 - <https://geoaxis.nga.smil.mil/Information>
 - <https://geoaxis.nga.mil/Information>

BENEFITS

- Streamlined process which allows **expedited access** to protected content on an ad hoc basis.
- **Username/Password** authentication when tokens are unavailable.

Currently available on S/C and SBU.
